

Please keep the Indiana Telephone Privacy Law just like it is. I am an elderly person who is almost blind, so I cannot use a caller-id.

I don't want to get a call from these stupid telemarket people!

I was getting 11-16 a day, and I am sick of it! It is nice not to have to answer the phone! I don't get around very well, so I don't want to get up and answer the phone. Don't mess up a good law. It is fine just the way it is! Thanks
